Setting up of LPT and VLPT in hilly areas

*78. SHRI S. RAMACHANDRAN PILLAI: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether 18 Low Power Transmitters and 16 Very Low Power Transmitters were to be set up in hilly areas of the country during the current financial years;

(b) if so, the areas where broadcasting centres have since been set up; and

(c) what steps have been taken to achieve the target during the remaining period of the financial year?

THE MINISTER OF INFORMATION AND BROADCASTING (SHRIMATI SUSHMA SWARAJ): (a) to (c) 18 Low Power Transmitters and 16 Very Low Power Transmitters were envisaged to be set up in the hill areas of the country between December 2000 and March 2001. Out of these 34 projects, installation of 11 Low Power Transmitters and 4 Very Low Power Transmitters have since been completed. 3 of the 4 Very Low Power Transmitters have already been commissioned. Locations of the 15 completed projects are given in Statement. (*See* below)

The remaining 19 projects are at different stages of implementation and all out efforts are being made by Prasar Bharati to complete them at the earliest possible, subject to timely supply of equipment.
